Successful Student Policy

At Davis Connect, we believe all students can be successful learners.
Successful online learners do the following:

- Complete work on time: make a schedule for each day and stick to it.
- Ask questions: your teacher is only an e-mail, phone call, or web chat away and would love to help you.
- Read all the information: read the assignment instructions and lesson content completely.
- Get involved: join the daily web chats, come to the monthly activities, post a discussion, get to know your online classmates.
- Create a learning environment: your home is your classroom. Remove distractions, organize your learning space, find a spot that works for you.
- Track progress: use the tools in the online system to monitor your learning. Read the feedback and suggestions given by your teacher. Be motivated to fix your mistakes, increase your knowledge and improve your grade.

Davis Connect is an OPTIONAL program, continued enrollment is based on student success. Please read the following policies and procedures.

1. Students are expected to complete a minimum of 80% of the assigned work at a "2" on the grading rubric each week.
2. If a student does not complete 80% of the assigned work, a parent/student/teacher conference will be held within the next school week. The student, parent, and teacher will discuss issues preventing work completion and set goals. A learning contract for successful work completion will be developed.
3. If a student still does not complete a minimum of 80% of their assigned work at a "2" on the district grading rubric over the next ten school days, the student will be un-enrolled from the Davis Connect program.
4. Four hours per day is the average time needed to complete all assignments. Student success in this program requires the parent/guardian to be present and able to give one on one support and help during this time.
5. Parents and students are required to check messages and general notifications in Schoology daily. Schoology messages are the main means of communication used in our program.

Please sign if you have read the policies and procedures and understand that enrollment in Davis Connect K-6 is based on successfully adhering to the policies and procedures.
